

Report of World Environment Day, 2015

Pro Public Youth Wing with the support of ProPublic and Friends of Earth International organized a rally program on 5th June, 2015 to celebrate 44th World Environment Day in which approximately 47 people participated. Mr. Nripendra Jung Basnet, Coordinator of Pro Public Youth Wing started the program with a brief welcome speech emphasizing on the importance of environment and stated that it is now time that youth take the leading role towards preservation of environment. Then rally started from The Bakery Café, New Baneshwor and ended at the Mandala, Maitighar. After reaching at Mandala, all the organizers as well as participants vowed 1 minute of silence in remembrance of people who lost their lives due to earthquake then a small candle lighting ceremony was held. In the candle lighting ceremony the map of Nepal was made with the candles including the mark of 44th World Environment Day along with total number of deaths in earthquake with the candles. Then Nripendra Jung Basnet, Coordinator of Pro Public Youth Wing ended the program with vote of thanks to all the participants.
